AMEND Senate Bill No. 590*

House Bill No. 1069

by deleting subdivision (a)(2) in Section 1 and substituting instead the following:

(2) Notwithstanding subdivision (a)(1), goods, wares, and merchandise manufactured by inmates may be offered for sale to government entities or to private nonprofit corporations and charitable organizations that are duly chartered as such under the laws of this state on such terms and conditions as the TRICOR board deems to be in the best interest of this state and if the TRICOR board determines the sales do not unfairly compete with private sector businesses in this state. The inmates making the goods, wares, and merchandise for resale to government entities or to private nonprofit corporations and charitable organizations must be paid an appropriate wage so that the products do not unfairly compete with private sector businesses in this state.
